Figure 1 consists of two maps. The left map, titled "Location of County within State", shows the state of Colorado divided into counties. One county in the central part of the state is highlighted in orange. The right map, titled "Sheet Location within Entity", shows a large yellow rectangle representing the entity. A smaller yellow rectangle is located in the bottom right corner of the large rectangle, representing the sheet's location within the entity.

The plotted map scale is 1:22000
